Dear Foothills Community,

I just want to take a brief moment to reach out and let you know how thankful I am to be part of the FCCS Community of families. Your support and understating during this crazy time is very much appreciated.

Who would have thought that our method of educating students would be turned upside down in such a short period of time? With schools closing all across the country, school leaders are being forced to adapt their teaching strategies in order to meet the needs of their students. Here at FCCS, instead of “closing” we have opted to implement a remote form of teaching. God has given us amazing tools and extremely creative teachers so that lives can continue to be biblically prepared for life and eternity.

Please know our entire staff and school board is engaged and working overtime to make sure your children have the necessary tools available for them to continue their education. Thank you for your patience as we are in the early stages of this new way of doing school. I have received so many encouraging comments with many of them directed towards our amazing teachers.

FCCS is in contact with various private schools and private school associations in our state and in the Northwest. We also receive information daily from a variety of companies that service private and Christian schools offering resources, training and support. This information is passed on to our teachers to assist them in teaching with greater effectiveness remotely.

As we go through this process please give us feedback on areas in which we are excelling and suggestions for improvement. Remember, we are all in this together and we will make it through as a community. We will update you as new details continue to unfold.

May you feel the peace and joy of our Lord and Savior, Jesus Christ, during this time.

Psalm 121 - A song of ascents. (FCCS School Passage)

¹ I lift up my eyes to the mountains—
where does my help come from?

² My help comes from the LORD,
the Maker of heaven and earth.

Working for the Master Teacher,

David Culpepper, Head of School

*Assisting parents in providing a Christ-centered education that values
Exceptional academics, strong moral character, and service to others*
